Congratulations! You have completed your Optimizely Content Cloud Developer beta certification exam. Your official score report with your test results will be emailed to you in 30 – 60 business days.

You will soon receive a short survey that will allow you to provide feedback about your experience taking this Optimizely exam. We encourage you to take a few minutes to share your experiences on your exam so we can help make your future experience with Optimizely Certifications even better!

Thank you for taking part in this beta administration. We wish you much success in your certification journey!

This test is finished and the result has been saved
